

## THOMAS E. BINNS MADE CAPTAIN OF CADET CORPS

Officers Named for New Team at  
Benedictine Military  
College.

W. G. FULLER IS COMMANDANT  
In Four Years of Its Existence, Only  
Military School in This Section of  
Virginia Has Made Rapid Pro-  
gress.

In recognition of his work, both  
academic and military, Thomas E.  
Binns, of Woodland, has been  
made captain of cadets at Benedictine  
Military College. Raymond A. Vonder-  
lehr has been made first lieutenant, and  
Thomas F. McGraw, second lieutenant  
of the cadet company.

Benedictine Military College was  
opened in September, 1911, and while  
only in its fourth year, it has already  
made itself well known among the  
preparatory schools of the city. It is  
located on North Sheppard Street, di-  
rectly behind the Lee Camp Soldiers'  
Home property. It has one large  
building, containing classroom hall  
and assembly hall, chapel and living  
quarters for the instructors, located  
on an eight-acre campus and athletic  
field.

The school was founded by the  
Brotherhood of St. Benedict, and Father  
Charles Rettger is principal. It now  
has about seventy-five pupils, com-  
bined in academic and business classes.  
Since its organization the school has  
been the only military institution in  
this section of the State. Its cadet  
corps is well drilled, and the pupils  
wear the cadet uniform during the  
entire school period. The school has  
taken part in all military demonstra-  
tions within the past few years, and  
has always been highly praised for its  
proficiency.

Captain W. G. Fuller, Jr., formerly  
of Company A, Richmond Light In-  
fantry Blues Battalion, is commandant  
of the cadet corps. He has had the  
boys under his supervision since the  
school term began. He has just an-  
nounced his selection of officers for  
the balance of the academic year.

day a contribution of \$60 was re-  
ceived for the Virginia antituberculosis  
fund from John Lesner, Sr., of Nor-  
folk, father of a member of the Vir-  
ginia State Senate. The check was in-  
closed in a letter from Mr. Lesner, in  
which he explained that he had read the  
appeal in the interest of the fund  
issued by the Governor, and he desired  
to contribute a mite toward the laud-

## Sister: Read My Free Offer!

AM A WOMAN.  
Know a woman's trials.  
If you, my sister, are unhappy because of ill-health,  
if you feel unfit for household duties, social pleasures, or  
daily employment, write and tell me just how you suffer,  
and ask for my free ten days' trial of a home treatment  
suited to your needs. None cannot understand women's  
sufferings. What we women know from experience, we  
know better than any man. I want to tell you how to  
cure yourself at home at a cost of about 12 cents a week.  
You suffer from women's peculiar ailments: aching  
pains in the head, back, or bowels, feeling of weight  
and dragging down sensation, fainting or displacement of  
pelvic organs, causing kidney and bladder weakness or  
constriction and piles, painful or irregular periods,  
catarrh, cold, sore and discharges, extreme nervous-  
ness, depressed spirits, melancholy, desire for food, and  
sometimes evil habits to happen, creeping feeling along  
the spine, hot flashes, hotness, weariness, shallow com-  
plexion with dark circles under the eyes, pain in the left  
breast or a general feeling that life is not worth living.

I INVITE YOU TO SEND TODAY FOR MY FREE TEN DAYS' TREATMENT  
and learn how these ailments can be easily and surely conquered at home without the dangers and  
expense of an operation. When you are cured, and able to enjoy life again, you can pass the good  
word along to some other sufferer. My home treatment is for young or old. To Mothers of Daugh-  
ters, I will explain how to overcome green sickness (chlorosis), irregularities, headaches, and last-  
ing tiredness in young women and restore them to plumpness and health. Tell me if you are worried about  
your daughter. Remember it costs you nothing to give my home treatment a ten days' trial, and  
if it does not interfere with daily work, if health is worth seeking, then accept my generous offer and  
write for the free treatment, including my illustrated booklet, "Woman's Own Medical Adviser."  
I will send all in plain wrappers postpaid. To save time, you can cut out this offer, mark your feel-  
ings, and return to me. Send today, as you may not see this offer again.

## A Nervous Wreck

Had No  
Desire  
To Live  
Peruna  
Is A  
Tonic and  
Strength  
Builder  
So Says

"I began using Peruna a few months  
ago when my health and strength were  
all gone, and I was nothing but a ner-  
vous wreck. Could not sleep, eat or  
rest properly, and felt no desire to  
live.

"Three bottles of Peruna made me  
look at life in a different light, as I  
began to regain my lost strength.  
While my recovery took nearly four  
months, at the end of that time I was  
better than I ever had been before.  
I had a splendid color and never  
weighed more in my life.

"I certainly think Peruna is without  
a rival as a tonic and strength builder,  
and it has my endorsement."

Mr. Charles Brown, R. R. 4, Box 78,  
Rogersville, Tenn., writes: "I have  
tried many different remedies, but have  
found that Peruna is the greatest tonic  
on earth, and a perfect system build-
